Help Turn Around America's Economy WITH THE EMPLOYEE FREE CHOICE ACT

Our economy is in a free fall. Corporations and CEOs aren't treating workers fairly. Layoffs, cuts in health care benefits and wages and Wall Street's greed are hurting the middle class while CEOs of failed companies get golden parachutes worth millions.

We need to level the playing field so workers can join together to have a voice at work without being intimidated, coerced, harassed or even fired. That's why we need the Employee Free Choice Act.

The Employee Free Choice Act will:

- Restore workers' freedom to make their own decision about how to join together to bargain for better benefits and fair wages.
- Create real penalties for companies that violate workers' rights.
- Provide mediation and arbitration to help workers and employers come to agreement on a first contract.

Ask Senator Feinstein to co-sponsor and support the Employee Free Choice Act
