To: All UFCW Local 1167 members employed by Food 4 Less, Inc.

Dear Member:

As you may know your Food 4 Less Agreement expires on June 3, 2007. All seven Southern California locals have signed an extension to keep the current contract in place while we continue the food negotiations.

We will keep you informed regarding negotiations. Please contact your Union Representative if you have any questions at 909 877-5000. Thank you.

Sincerely,

A handwritten signature in black ink that reads 'Bill Lathrop'.
